

OUR CLIENT:

Abrigo provides financial institutions technology used to manage risk and drive growth.

This technology provides market-leading compliance, credit risk, and lending solutions to enable customers to think bigger.

OBJECTIVE

Find an award that celebrated sales achievements.

TARGET AUDIENCE

Sales Department employees.

SOLUTION

Olivia worked with Abrigo to come up with a fun achievement award that could be added to with each new goal reached.

The result? A custom piece that allowed employees to show off their "stacks" at their desk - encouraging friendly competition among coworkers.
